

PARTICIPATION CODE FOR ACTIVITIES

Belief Statements

The Dubuque Community School District offers a variety of activities designed to enhance education by promoting additional interests and abilities in students during their school years and for a lifetime. The District believes that:

Participation in school activities is a privilege, conditioned upon meeting the eligibility criteria established by the board, administration, and individual activity coaches and sponsors.

Students who participate in activities serve as ambassadors of the school district throughout the calendar year, whether away from or at school.

Students who wish to exercise the privilege of participating in school activities must conduct themselves as good citizens both in and out of school at all times. They must serve as positive role models to other students and members of the community.

The middle schools and high schools will enforce the following policies and procedures for participation in activities. Activities include athletics, cheerleading, vocal and instrumental music, speech, and drama. Students participating in other activities such as student council, yearbook, newspaper, or school sponsored groups are covered by Policy 5200, Student Behavior: Expectations and Consequences, and bylaws of the sponsoring group.

Grades will be checked four times per year: At the end of the first nine weeks, at the end of the first semester, at the end of the third nine weeks, and at the end of the second semester.

State sponsored dates are included in the suspension. The suspension includes all scheduled events at the student's current level of competition.
2. If the suspension is not completed during a current activity, it will carry over to the next activity in which the student participates. No awards will be given until the suspension is completed.
3. To avoid participating in an activity for the purpose of fulfilling a suspension, the student must complete the season in good standing.
4. A student involved in two or more activities which occur simultaneously will be suspended from both (all) of them. (Consult tables)

8. The penalties listed above are not exclusive. In addition to or in lieu of such penalties, a student may be denied the privilege to participate on a temporary or permanent basis.

Reduction in Penalty

1. Admission Prior To Determination: Self-reporting of any behavior that could be construed as a violation of the Participation Code prior to knowledge of civil or school authorities may result in the suspension being reduced by one half. The purpose of this option is to provide a mechanism in which the student can receive assistance.
2. Evaluation and Treatment: A student who has a violation of the alcohol, tobacco, or drug provisions of the Participation Code may elect to seek an evaluation and, if recommended, treatment from a recognized substance facility at the student or student's parent/guardian's expense. If the student seeks the evaluation, agrees to waive confidentiality, and allows the facility to report the recommendations for treatment, the student's suspension may be reduced by one half upon written confirmation of participation in the treatment program.
3. Behavior: Students who have violated provisions regarding inappropriate or offensive behavior may seek to reduce the penalty by entering into a Behavior Contract. The contract shall be in writing and could include apologies to affected parties and restitution where appropriate. Signatures of student, parent(s), coach/sponsor, and administrator are required. The reduction shall not exceed one-third of the penalty.
