

Academic Freedom

It is the policy of this School Board that any issue should be fairly presented in a spirit of honest academic freedom to the end that individual students may recognize the validity of other points of view but can learn to formulate their own opinions based upon dispassionate, objective, unbiased study and discussion of the factual bases underlying the controversy.

Employees of the Dubuque Community School District may not wear campaign paraphernalia in the classroom (this includes school vehicles, buses, and on DCSD property).
