Board of Director's Records

Records Retention

Iowa law makes no particular reference to the retention of school district records except that the school board is authorized to make rules and regulations for the care of school property (279.8). The Statute of Limitations (Chapter 614) and the Iowa Municipal Record Manual, 1982, are the basis for the following suggested procedures. It is suggested that school districts explore the economics of microfilming all permanent district records.

Board Records

- The official minutes of the school board, including resolutions, should be retained permanently.
- Board meeting agendas should be retained 2 years.
- Detailed minutes and audio tapes of closed sessions should be retained at least 1 year beyond the date of the meeting.
- A copy of the board policies should be retained until superseded.
- Oaths of office should be retained permanently with the minutes.
- Fidelity bonds of officials should be retained 5 years after expiration.
- Bids accepted should be retained for 5 years.
- Bids rejected should be retained for 1 year beyond audit.
- Citizen petitions should be retained 3 years after close of issue.
- Ballots should be retained 6 months after the election if not contested.
- Articles of Incorporation should be retained permanently.
- Records of patents, copyrights, trademarks, etc. should be retained permanently.

Correspondence

- Financial correspondence should be retained 5 years.
- Personnel correspondence should be retained 7 years after termination.
- Credit and collection correspondence should be retained 7 years.
- General correspondence should be retained 3 years or as long as administratively useful or of historical value.

Financial Reports and Records

- The secretary's and treasurer's financial accounting records should be retained permanently (general ledger, annual financial report, CAR).
- Disbursement journals/register, receipt journals/register, check register, general journals, and bank statements should be retained 10 years.
- Cancelled warrants, check stubs, bills, invoices, receipts, purchase orders, requisitions, petty cash vouchers, cost accounting computations, investment records, and bank reconciliations should be retained 5 years.
- Records and reports regarding uncollectible accounts should be retained 10 years.
- Interim financial reports should be retained 5 years.
- Claims for sales tax or fuel tax refunds should be retained 5 years.

- Also licensed distributors, dealers and users must retain for 3 years copies of bills of lading or manifests, purchase invoices, copies of sales invoices, exemption certificates, purchase records, sales records, copies of reports filed with the Department of Revenue, Iowa export schedules, copies of credit memos, and cancelled checks and cash register.
- Audits should be retained permanently.

Budget

- Budget estimates should be retained 5 years, however, it is recommended that a copy of the detailed budget be retained permanently for research purposes.
- Final budget and certification summary should be retained permanently.
- Budget amendments should be retained permanently.
- Certified enrollment official summaries should be retained permanently.

Fixed Asset Records

- Documents relating to fixed asset should be retained 5 years beyond disposal of fixed asset.
- Fixed asset repair records should be retained 3 years.
- Inventories should be retained 5 years.
- Documents relating to real property transactions should be retained permanently. (Includes such things as deeds, title opinions, abstracts, appraisals, certificate of title, title insurance, condemnation proceedings, easement and right of way agreements, plats and alterations of plats, blueprints and other structural plans or specifications, and annexation files.)

- Records and documents pertaining to cancellation, transfer, redemption, or replacement of public bonds or obligations shall be preserved by the issuer or its agent for a period of not less than 11 years (76.10(7)(a)).
- Other records related to bonds should be retained during the outstanding period of the bonds, plus any refunding bonds, plus 3 years

Student Records

- The individual permanent record of each pupil should be permanently retained either in its original form or on electronic media. 34 CFR 300.573 requires that a school inform parents when personally identifiable information collected, maintained, or used for special education purposes is no longer needed to provide educational services to the child. At the request of the parents, that information must be destroyed. This does not include the permanent record information of name, address, grades, attendance record, etc., which still may be maintained without time limit. The district may want to caution parents that there are many good reasons why they might not want their child's special education record destroyed such as the potential future need to prove disability for SSI or SS-disability purposes.

Federal Programs

- Child nutrition records pertaining to participation, financial information, and free and reduced-price meal applications must be retained for 3 years in addition to the current fiscal year. This is the federal fiscal year, so it really is 4 years. Records of an unresolved audit must be retained until that audit is resolved.
- JTPA contracts and claims should be retained 5 years.
- Asbestos medical records or records of licensure should be retained for a minimum of 30 years.
- Generally records related to federal aid should be retained 5 years if audited. If there is a non-compliance problem or questioned cost, the records should be retained 3 years after settlement.

Affidavits of Publication

- Regarding budget should be retained until audited or 5 years.
- Regarding bond issue should be retained 5 years after final recall.
- Regarding other issues should be retained 5 years, except real estate which should be kept permanently if proof not filed with deed.

Union/Association Records

- Negotiation records should be retained as long as administratively useful.
- Master contracts should be retained permanently.
- Case files should be retained 10 years.

Employee Accidents

- Employer reports should be retained 5 years.
