

# Hempstead Booster Club

Academics - Activities - Arts - Athletics

July 2017

Dear Hempstead Parent/Guardian:

We would like to personally thank each individual who has contributed both time and money to the Booster Club. Last year your contributions enabled us to give back to our students over \$20,000 in funding requests and 10 senior scholarships.

The Hempstead Booster Club is unique because we work together to strengthen our school by supporting the arts, academics, activities and athletics.

As with any program, the need for time and financial assistance comes up on an annual basis. We are asking those who have contributed before to please continue your dedication to our students. To those who currently aren't members or are new to the Hempstead family, we strongly encourage you to join. Become a member and become a part of the team who drives the efforts to help our students continue to achieve excellence.

There are many ways to support from volunteering at a concession stand, selling apparel at an event to participating in the annual Mustang Stampede golf outing on September 17<sup>th</sup>.

Please review the membership form on the reverse side of this letter to determine which level works for you. You can mail or drop off the form to the Athletic office, or return it to our table during fall registration. There is also an option to choose the \$25 Family level online through the In-Touch System.

Business memberships are available which includes mention in our fall sports program and recognition on the banner in the Moody gym.

We thank you in advance for your support and look forward to a successful school year.
