

# THE RAPPIN' MUSTANG

**J...J...JFK**

**J...J...JFK**

**Kennedy School is really cool  
Mustangs use their brains for tools,  
Homework is no work for us,  
Homework is fun, so what's the fuss?  
Bell is ringing, starting our day,  
Open those doors, we are here to stay.**

**J...J...JFK**

**We so like math, we like to learn.  
In our lines we take our turns.  
K-E-N-N-E-D-Y  
Mustangs always try to fly...  
We're scanning, we're sketching,  
Workouts in the gym,  
Our physical goal is to touch the rim...**

**Green and gold...  
Our flashy colors will not grow old.  
Mustangs, hop to it...  
Kennedy Kids – You show your spirit...  
Reading, writing, and learning a ton,  
Working all day till the day is done.  
Listening, laughing, and singing a song,  
We work hard to get along...**
