Teachers will be debriefing the student work analysis process for future sessions of this nature and continuing the work of the research-based behavior interventions.

## From the Desk of Miss Mac

Greetings Sageville families & friends,

The Thanksgiving holiday is coming upon us next week. I reflect of the many blessings in my life, and I count Sageville School in those blessings. We are a strong and vibrant school community! School staff and families are committed to the success and well-being of our students. I wish you and your family all the best next week. Take time to enjoy each other!

There are only two more order dates for Scrip before Christmas. December 5th which will be delivered December 11th, and December 12th which will be delivered December 18th. Start thinking about your orders

Each year the Faces & Voices committee invited students to participate in the tribute contest for Martin Luther King, Jr. Entries are due to school by Thursday, December 4th. You can check out the requirements at the following web address:

<http://www.dubuque.k12.ia.us/facesandvoices>

**Students in grades K-5** are invited to create a poster no larger than 2'x3' depicting MLK. Jr.'s contribution(s) to society. Students will be producing work for the community to view and will be judged using the rubric on the above web site.

**Students in grades 3-5** are invited to create an essay and or a multimedia project depicting MLK. Jr.'s contribution(s) to society. Students will be producing work for the community to view and will be judged using the rubric on the above web site.

Look at these outstanding 5th grade band performers!

## Sageville School gets a new website!

Our school website ([www.sageville.dbqschools.org](http://www.sageville.dbqschools.org)) has been completely redesigned! Be sure to check it out, as it's filled with great information about Sageville, lots of wonderful photos and videos and many other features. The new site is linked directly to our brand new Flickr photo albums, Sageville Cinema videos and all-new web links for each and every grade level. Parents can make payments online, check the lunch menu, email teachers, look at the school events calendar and more. You'll also find Sageville School history, student handbook, PTC information and more online. As always, if you have any suggestions, feedback or questions about the website, please email Mr. Dyer, our Technology Coach.

Cookie Dough and Yankee Candle delivery is on Thursday, December 4th in the Sageville Gym. Please make plans to pick up your orders from 3:30 p.m. to 6:00 p.m.

## Counselor Corner-Mrs. Kaiser

During the week of November 17th – 21st I have been working in small groups. My first grade small group that has been working on enjoying school, eliminating distractions and putting forth effort in school has completed their small group guidance this week. My other first grade group will be working on problem solving strategies and how to apply them to real life scenarios. The second grade group will be discussing their strengths and weaknesses at school and home. My third

grade group discussed what they like in a friend and what they look for in a friend. The fifth grade group continues to work on self-esteem and self-worth. Next week I will be working with small groups.

Don't forget: We will be having a celebration assembly at the end of the month. Your child may be nominated by their teacher for good character.

Tips for Parents: "Your words matter. Your actions matter. We look to each other for inspiration...so being a role model isn't optional. Live well."

**Sheriff deputies Dale Synder and Dave Konicheck were willing sports for the Special Olympics to get their heads shaved to raise money for the Polar Plunge. Sageville raised \$350.00.**
