DRA Grant Materials Arrive!

Last May, Table Mound received \$10,000 towards the purchase of alternative seating options for the classroom. They have arrived! Items include rockers, wiggle stools, standing desks, kneeling desks, and exer-bands. We all know how difficult it can be to sit still throughout the day. Our new seating options give students the opportunity to move without disrupting the learning of classmates and in many cases leads to better focus and stamina when completing classwork.

THANK YOU DRA!

Hello Table Mound Students, Staff, and Families,
 Thanks for making the Table Mound Open house and picnic a huge success! It was great to meet and greet all of you. Please feel free to share any feedback you might have about the event!

Just a reminder that pick-up for fundraiser items will take place on **Fri. Oct. 14th** from 3:30-5:30pm in the Multipurpose room. This is important as some of the items are frozen! Please make arrangements to pick-up your items, if you are not able to make it!

Conferences and the Scholastic Book Fair are right around the corner. Table Mound conferences will take place on Tues. Oct 18th from 4-8pm, Wed. Oct 19th from 4-8pm, and Thurs. Oct 20th from 9-2pm. Online conference scheduling will be open on Oct 4th.

Extra yearbooks are now available for purchase from the Table Mound office. Cost per yearbook is \$11.50. Get yours today!

Have A Great Week & Good Knight!

Table Mound Site Council

Table Mound site council had its first meeting of the year on Monday, September 19th. We used it as a planning session for the upcoming year.

We are looking for parents, community members and business partners to become actively involved. It's a great way to participate in conversation about what is going on at school. Topics will include building-wide assessment data, professional development focus, school plan information, and information about other school programs.

If you are interested or know someone who might be, please let Mr. Hull know via email (mhull@dbqschools.org) or by phone (552-4405).

Next meeting: 10/11@3:45

"The mission of Table Mound Elementary School is to develop responsible, motivated, global citizens who meet the challenges of the future and rise to their greatest potential as life-long learners."
