New Newsletter Deadline!

Starting the week of Jan 9th, all requests for information being added to the newsletter will need to be to the office by the end of the day on Thursday, prior to the Monday that you would like information included. This also applies to other flyers that are intended to be sent home in Monday folders. This gives the office and classroom teachers more time to prepare and distribute all the information that is meant to be sent home. Thanks for cooperation in advance!

Electronic Newsletter

Over the course of the school year, Table Mound uses about 15,000 sheets of paper to print the newsletter. In an effort to reduce the amount of paper that we use, we will begin distributing the newsletter electronically and on paper. The electronic version will be sent via email. If you do not have access to email, we are happy to continue to send home a paper copy at your request. We will continue to send out a paper newsletter through January 9th. Between now and then please fill out the paper newsletter request form coming home in today's Monday folder, ONLY if you wish to continue receiving a paper newsletter! The newsletter is also available on our Table Mound website. Thanks for helping make Table Mound a green school!
