If you wish to schedule your student's conference during this additional hour, please call the main office and Mrs. Koontz will check availability and schedule the conference if possible. Thanks for your understanding!

Dubuque Schools DSILT Committee

We are in need of a Table Mound parent representative on the district-wide DSILT committee. DSILT is a committee comprised of district administration, teachers parents, and community members that meet and work together to create a strategic plan for our district. If you are interested, please contact Mr. Hull at 552-4400 or mhull@dbqschools.org.

Cold and Flu Season:

The Dubuque Community School District has put into effect its 24hr Flu and Fever policy. This means that students who are running a fever (100F or above) or have vomited, should not return to school until 24 hours after the last occurrence. This is to help curb wide-spread health issues. Hand-washing is a powerful prevention tool during this season! It is not too late to get a flu shot! Thanks for your cooperation.
