Spring Conferences!

Spring conferences were at great success! Thanks for rearranging your busy schedules and making time to meet with your student's teachers. We had over 97% attendance at conferences! I enjoyed sitting in on a few conferences and hearing about the progress and celebrations of so many students. It was great to see the collaboration between students, parents, and teachers when discussing goals on what to work on as we finish out the year. We will now start planning for conferences next fall and your feedback about the schedule is important. Please feel free to contact us with your thoughts about what you liked about the schedule and what changes might be beneficial.

Dubuque Schools DSILT Committee

We are still in need of a Table Mound parent representative on the district-wide DSILT committee.

DSILT is a committee comprised of district administration, teachers, parents, and community members that meet and work together to create a strategic plan for our district. This is a chance to have your voice heard. If you are interested, please contact Mr. Hull at 552-4400 or mhull@dbqschools.org.
