Congratulations!

Last Wednesday, March 29th our Table Mound 5th grade students attended the Human Body Bee at Clarke University. The 5th Graders spent the morning and early afternoon rotating through interactive stations that all had to do with the human body. Part of the day consisted of teams of students from each school taking a human body quiz and tallying which school had the highest scores. We are pleased to report that our Table Mound team took **1st place!** Our team members are: *Savannah Engler, Jarrett Herber, Jacob Jenkins, Avery Kirk, Kaitlyn Miller, and Addie Schwager.*

In addition to winning as a team, Kaitlyn Miller took 1st place in the overall, individual competition. Way to go Knights!

Kindergarten and 1st Grade Music Concert!

The Kindergarten and 1st grade music program is next Monday, April 10th! The evening performance will begin at 6:30pm. We will also be having a daytime performance for the school beginning at 9:30am. If you are not able to attend the evening performance, please feel free to join us during the day. Come check out "EIEI-OOPS!"

Spring Tornado and Fire Drills

Over the next month or so we will be practicing our fire and tornado drills during the school day. These drills not only serve as practice for the students but the staff as well. If you have a moment to chat with your students about these drills let them know that keeping everyone safe is our number one goal. Students can help by using a "zero" voice, keeping their eyes on the adult, and moving quickly. We look forward to our practice!

Volunteers Needed!

Our Table Mound PTC is in need of 2 people to take over our SCRIP program. The SCRIP position would involve collecting SCRIP payments, organizing the collection of gift cards, managing grade-level budgets and SCRIP promotion in the newsletter and flyers. If you are interested please contact Kate or Jill at oppertk@yahoo.com or jayandjilly@aol.com. A big thanks to Jenny Oliver for her work as our past SCRIP coordinator!

Table Mound receives \$5 per booklet returned and a percentage of the actual magazine sales. Thanks for your work!
