An email will be sent to confirm your admission by Wed. Dec 20<sup>th</sup>. Cost is \$17 and includes rental, lift and lessons for those that are 9 and older. This event is open to anyone.

## **Online Elementary Progress Reports Coming This Month!**

It's that time of year – progress reports for students in kindergarten through fifth grade are now available!

This year, the district is transitioning to online access for parents to view progress reports on demand through PowerSchool, at any time and from any location with internet access.

As we make this transition, families have received a direction sheet in their student's take-home folder explaining how to access the progress reports.

The sheet will also include a request form for families wishing to still receive a printed progress report.

Let the office know if you need another information sheet.

## ***Late For School!***

Over the past couple weeks, I have been noticing that several students are arriving late for school. It is important for our students to arrive on time so they can settle into their routine for the day and are not missing valuable instructional time. If there is anything we can do to help your student arrive on time, please let me know!

### **Morning schedule is as follows:**

**8:30** – *Breakfast and before school supervision begins.*

**8:45** – *Breakfast ends and bell rings for students to enter the building.*

**8:50** – *Tardy bell rings. Students should be in their seats. If students arrive after this bell they are considered tardy.*

**8:55** – *Announcements and instruction begin.*

The cold has arrived! Don't forget to have your students dress warm!
