Students will become acquainted with a variety of language and cultural aspects as they make comparisons and connections between English and the American culture and German and German culture. Students will be expected to communicate in German whenever possible.

Themes studied will include poetry, social situations, surviving a trip to Germany, East and West Germany, Switzerland, rights and responsibilities, and stereotypes.

A variety of learning activities use formative and summative assessments. These assessments are designed to help students meet district standards and national ACTFL standards. Skills in the classroom may be used in the community and beyond.

Instructional Strategies:

- Because language is primarily a social activity, most activities in German class will be with partners or groups. Any graded activities done in groups will be graded individually.
- At the end each chapter, students will be evaluated based on several Integrated Performance Assessments (IPAs). These Assessments are in the three modes of communication, and are already loaded onto Canvas.
- Although no daily homework will be assigned, students should spend time studying vocabulary and doing various online practice activities. Flashcards and activities are available on Canvas..
- If you need extra help, the German classroom (C-147) will usually be open and teacher available before school (7 - 7:15 am). Please check with me first to make sure I don't have a meeting. For extra help at other times, please make arrangements with your teacher.

Resources:

All resources for German class can be found on Learning Management System, CANVAS. Students will also receive a packet of resources for each chapter. In addition, students will read the book, *Wilhelm Tell* by Friedrich Schiller.

Academic/Behavioral Expectations:

- **Homework:** Traditional daily homework will rarely be assigned in German Class. Students should expect to study daily, both the vocabulary and grammar points of each lesson. Resources are available on the website for studying purposes. At times, students will be required to finish class assignments at home or prepare for in-class assessments.
- **Absences:** If you are absent (even excused or a school activity), **you are responsible for finding out what you missed and making up any assignments or quizzes.** It is very likely that this information will be updated on Canvas, but if it is not, you will need to check with a responsible classmate or with me.
- **Attendance:** Attendance in German class is of the utmost importance. Please be here, ready to work, every day!
- **Late Work:**
I will be flexible on due dates IF there is a legitimate reason for any work that is late. However, the student must discuss the situation with me BEFORE the assignment is due in order to be

granted an extension. Any other late work will be accepted for 75% credit. Keep in mind that students will have ample class time to complete projects and assignments.

- **Classroom Expectations:** I have high expectations in the German classroom, and expect ALL students to treat me and classmates with respect. I also expect you to actively participate in every class, be on time to each class, and complete all work to the best of your ability.

BE RESPECTFUL TO YOURSELF AND OTHERS.

Be open-minded and LISTEN to others' ideas. Teasing or name-calling that could inhibit other students from learning will not be tolerated. Look out for one another and be good to each other. Keep hands, feet, and materials to yourself. Please keep your language appropriate.

- **Consequences:** Consequences will be given at the discretion of the teacher. Depending on the infraction, consequences could include phone call/ email to parent, behavior write up in office, detention or loss of classroom privileges.

Assessments:

Students will be assessed in a variety of ways throughout the year. Formative assessments are informal and are not recorded in the grade book. They help the teacher plan instruction based on what the students already know and need to learn. Formative assessments include, but are not limited to, assignments, class participation, in-class practice activities, and vocabulary and grammar quizzes. Summative assessments tell whether or not students have learned the material required, and are recorded in the grade book. Summative assessments will cover speaking, writing, listening, reading and culture. Some summative assessments will be quizzes, others will be projects, and still others will be Integrated Performance Assessments (IPAs). All assessments strive to be based on real-world situations. Students will also be assessing their own learning through the use of portfolios.

Communication Plan:

My primary plan for communicating with **parents** is through email. My email is aolson@dbqschools.org. At the beginning of the year I will make an email group for each class. I will communicate with you about upcoming/ missing assignments, your child's grade, and upcoming German Club events.

My primary plan for communicating with **students** is through CANVAS, email and text messages.

Grading Policy

Each student's grade will consist of three categories: 1) Quizzes and 2) Class Work and 3) Performance Assessments.

1) **Quizzes**

From time to time, students will be assessed on their learning with quizzes. These quizzes could be based on vocabulary, grammar, sentence structure, culture, etc.. Students will be graded using the traditional points-to-percentage grading system (see below) which will be weighted, making the quizzes count as 15% of the final semester grade.

93-100%	A	73-77%	C
	A-	70-72%	C-
90-92%	B+	68-69%	D+
88-89%	B	63-67%	D
83-87%	B-	60-62%	D-
80-82%	C+	0-59%	F
78-79%			

2) **Class Work**

Various work will be assigned in class.

- 3) **Performance Assessments** --Performance Assessments give students the opportunity to show what they've learned through speaking, writing, listening to and reading the German language. These assessments will be the primary way in which students are graded. All performance assessments will be graded according to the World Language Standards on a 5 point rubric. See the table below for the decision rule used to convert rubric points to a letter grade:

If the student's pattern of ratings is:	Letter grade:
At least 50% of the ratings are 4, and not more than 5% are lower than 3	A
75% of the ratings are 3 or better, and no more than 5% are lower than 2	B
40% of the ratings are 2 or better and no more than 5% are lower than 2	C
40% of the ratings are 2 or better and now more than 50% are lower than 2	D
More than 50% of the ratings are lower than 2	F

*****Please note that not all assignments done in class or out of class are assessments. Some activities have the sole purpose of providing practice opportunities for students. Practice activities will not be included in the grade.***
