

SYLLABUS

Course Name: Practical Math

Course Number: XSM 221.1, XSM 221.2

Teacher Name: Nick Stevenson

Teacher Phone: 552-5200 Ext. 5151

Teacher Email: nstevenson@dbqschools.org

Office Hours: You can reach me during my 2nd hour prep in the special education office, or in room B . You can also reach me during my 5th hour resource class in room D202.

Course Description

This course is an integrated mathematics course. Concepts are introduced incrementally and are continually practiced throughout the problem sets. Students continue to build concepts of each course 1, 2, 3, and 4, while introducing new concepts in the form of number sense, writing and solving equations, working with data, fractions, scale models, substitution, positive and negative numbers, linear functions, and more.

Alignment to Iowa Core Curriculum

- Course 1: Understands and applies concepts of numbers and operations and geometric properties
- Course 2: Understands and applies concepts of fractions, geometry, and probability
- Course 3: Extends understanding of fractions and creates equations that describe numbers or relationships.
- Course 4: Understands and applies concepts of functions and geometry.

Core Materials

Math 180 mSpace book

Headphones for computer applications

Required Materials

To successfully complete this course, you will need:

- ❖ **Pencils**
- ❖ **Planner**
- ❖ **mSpace book (kept in room)**
- ❖ **Headphones (option to be kept in room)**

Content:

- ❖ Completed mSpace lessons for the week (number of lessons may vary)
- ❖ 15 minutes of software per day (generally a total of 75 minutes a week)
- ❖ Log into Brain Arcade 3 times per week.

Instructional Strategies:

- ❖ Reteaching
- ❖ Small group
- ❖ One-on-one

- ❖ Independent work
- ❖ Group work

POLICIES AND PROCEDURES

General Rules

➤ Mustang Prepared Responsible Inclusive Dignified Empowered

Prepared	Responsible	Inclusive	Dignified	Empower
<ul style="list-style-type: none"> • Two feet in when bell rings • Have necessary materials with you • Have agenda • Organize and prioritize 	<ul style="list-style-type: none"> • Be honest • Comply with teacher request without arguing • Leave no trace (pick up after yourself) • Appropriate use of technology devices 	<ul style="list-style-type: none"> • Be respectful • Helps others when needed • Stand UP for others • Collaborate with classmates 	<ul style="list-style-type: none"> • Respect personal property • Allow others the best opportunity to learn • Resolve conflict with maturity 	<ul style="list-style-type: none"> • Participate in class • Be an active and respectful listener • Collaborate with classmate • Respect opinions of others • Ask questions when you need help

- Respect for self and others
- Follow directions
- Be on time
- Participate/ be on task
- Bring materials to class. **Must have a pencil!!**
- Complete assignments on time (you may lose points for late assignments)
- Worry about yourself
- Food and drinks are allowed at Poolside Café. You may have water in the classroom.
- Technology devices: Have turned off and put away during class time.
- The words “I can’t” are not allowed. **THINK POSITIVE!!**
- Have **FUN!**

Attendance

In accordance with Hempstead High School attendance policy, a student is expected to be in class daily, and on time. Students who are absent from school miss instruction which could negatively impact the student’s grades. Students are required to do make-up work within a reasonable amount of time for all absences.

Conduct and Expectations

Students will be expected to comply with conduct and policies as defined in the handbook/planner. Most of the following issues will be handled between the student and teachers. If recurring, parents and administration will become involved.

- Homework is expected on time.
- If absent, it is your responsibility to get your missed work from your classroom folder, and make up the work within the same amount of days as the absence. For longer absences, arrangements will be made.
- Quizzes and tests must be made up within 3 days of the absence.
- Incidences of copying or cheating will result in a ZERO and a call home.
- SHOW RESPECT for teachers, students and yourself by using work time appropriately, coming prepared, and using proper behavior and language.
- **Cell phone use and texting will not be tolerated during class time. PHONES WILL BE TURNED INTO THE BASE OFFICE if they have them out during class time. In an emergency, students can request to use a classroom phone.**

Missing or Late Work

In the event of missing class time, the following need to be met:

- Late class work or assessments needs to be completed and shown to teacher by the end of the week to receive full credit.
- Work shown after that point will receive half credit.
- Computer time needs to be completed by the end of the week. There will not be any accepted computer work after the end of the week.

Behavior Expectations

Everyone in this class will be expected to behave in a respectful manner. That means respect for each other, property, the teachers, and yourself. We will go over more specific examples of acceptable and unacceptable behavior together in class. You are also expected to accept responsibility for your learning. That means trying your hardest.

If at any point there is a concern with your academic progress or classroom conduct we will have a meeting with you to discuss the situation. Your past performance in my class, the circumstances of the concern, and the seriousness of any incident you are involved in will influence the strategy or intervention chosen to help improve your academic and/or behavioral success. Possible strategies or interventions may include but are not limited to:

- Verbal warning
- Phone call/e-mail home
- Detention (lunch, before school, after school)
- Saturday classes (when available)
- Conference with parent/guardian, assistant principal and/or guidance counselor
- AP Referral

Communication

Power school will be updated every other Friday. I will also have continued communication with case manager to discuss progress in class.

Evaluation

Your grade will consist of daily math lessons (40%), assessments (40%), and computer work (20%).

Grading Scale:

A = 93 – 100%

A- = 90 – 92%

B+ = 87 – 89%

B = 83 – 86%

B- = 80 – 82%

C+ = 77 – 79%

C = 73 – 76%

C- = 70 – 72%

D+ = 67 – 69%

D = 63 – 66%

D- = 60 – 62%

F = 59% or below
