Attend all classes and be on time for class, or it will result in a tardy. If tardiness becomes an issue, it will be addressed in accordance with building and district policies. If a student is absent from class, they will be required to make up any work missed. For a one-day absence, student work is due the following day after they return. Longer absences will be worked out with the teacher, with the student given a reasonable amount of time to make up the work they missed for full credit. If there is a serious attendance issue, students will be referred to the AP's office for disciplinary action.

3. Be on time
4. Make good use of time

Classroom Rules:

1. No hats on once in the building

3. Only clear liquids are allowed in a clear container.

Interventions and consequences for not following these expectations could include a meeting with the teacher, a parent phone call, documentation of behavior, a 'lunch detention,' being sent to the AP's office with a written referral or a possible suspension.
