Parents,

Hello! My name is Zach Reuter and I will be your child's primary agent for the Special Education Department here at Senior High School. What that means for you is that I will be the contact person for your child for the 2016-2017 school year.

I am very excited to begin working with your child, and helping them progress through the high school curriculum. I am looking forward to being able to help enrich your child's academic and social growth.

I will have your child for 10th grade Resource, formerly Academic Assistance, which will give them a period of structured work completion, goal setting, study skills building, and other academic resources students need to be successful. We will also use this time to track goal progress in your student's IEP goal areas.

If you have any questions or concerns about your child's education, programming, or general progress, please do not hesitate to contact me. My classroom phone number and extension is as follows: 563-552-5729. If you are unable to reach me by phone, please feel free to email me, and I will respond as soon as possible. I check my email regularly, and it is usually the easiest form of communication for me. If for some reason I am unable to assist you, I will be happy to take your questions or concerns to the Special Education Team for further assistance.

I am looking forward to meeting you and talking with you about your child's future. I hope to have a wonderful school year working with you!

Thank you for your time!
