## **Thank you!**

- To all families picking up students behind school to pull in on Johnson Street and turn North onto Providence. You may park on either side of the street for the short time you are picking up students. This makes it safer for everyone involved when all traffic is traveling in the same direction.
- To all who supported the Audubon Fundraiser. We were able to raise over \$2,000 for the Audubon Family Staff Organization.

#### **October—Relationships with Family/Friends**

This month's health topic focuses on families—how they are different and alike, how they may change, and how family members and friends can help you stay healthy and safe. Children also discover the importance of showing respect, making wise decisions, and knowing how to resolve conflicts.
