

Chief Executive Officer

The Superintendent shall be the chief executive officer of the school district and shall have, under the direction of the Board, general supervision of all the Dubuque Community School's buildings and of all the personnel and various personnel departments of the school system. The Superintendent is responsible for the management of the schools under the Board policies, or by law, and is accountable to the Board.

The Superintendent, in his/her discretion, may delegate to other school personnel the exercise of any powers and the discharge of any duties imposed upon the Superintendent by these policies or by vote of the Board. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action taken under such delegation.
