

Non-School Sports Participation Rule

Participation in school activities is a privilege. School activities provide the benefits of promoting additional interests and abilities in the students during their school years and for their lifetime.

Any student (grades 7-12) in the Dubuque Community School District who participates in school-sponsored sport programs may participate in a non-school-sponsored sport program during the same season. However, a student who chooses to give non-school participation priority over the school-sponsored sport programs may jeopardize his or her status or standing as a member of the school-sponsored sport program. Communication among athlete, parents, and coaches is essential in this regard.
