TEXTBOOK CARE GUIDELINES

Per Iowa Code 301.1:

3. As used in subsection 2, “textbooks” means any of the following:
 - a. Books and loose-leaf or bound manuals, systems of reusable instructional materials or combinations of books and supplementary instructional materials which convey information to the student or otherwise contribute to the learning process.
 - b. Electronic textbooks, including but not limited to computer software, applications using computer-assisted instruction, interactive videodisc, and other computer courseware and magnetic media.
 - c. Laptop computers or other portable personal computing devices which are used for nonreligious instructional purposes only.

Textbooks are an important part of the basic school curriculum and constitute a major District expenditure. It is imperative that both students and teachers consistently strive for good textbook care which will maximize textbook usefulness.

The following guidelines have been established for the Dubuque Community Schools:

Accounting System

The teacher is responsible for monitoring the condition of classroom textbooks and for reporting to the textbook control person unusual textbook damage. At the end of each semester/trimester, an inspection of the textbooks should be made in order to preserve the life of the book.

Damage of Textbooks

Permanent Marks/Major Repairs:

Students will be charged the current publisher or vendor replacement cost.

Principals and School Business Managers will attempt to settle all student financial matters prior to the end of the school year. Report cards may not be held if the student account is delinquent or the family is unable to meet their financial obligation.

STUDENT FINES

Lost Textbooks / Materials

Refer to definition of textbooks.

Students will be charged the current publisher or vendor replacement cost for lost textbooks/materials.

Refunds will only be given for books lost during the current school year and previous school year. Refunds for lost books that were paid for before the previous school year will not be distributed and will be deleted in Destiny.

Replacement Cost for Lost Calculators

LAPTOP PROTECTION AND FINE OVERVIEW

ANYTIME, ANYWHERE LEARNING INITIATIVE

The Dubuque Community School District (DCSD) recognizes that with the implementation of the Anytime, Anywhere Learning initiative there is a need to protect the investment of the district-issued, student assigned laptop and/or accessories.

The following outlines the various areas of protection provided by the district: Original Equipment Manufacturer (OEM) warranty, break/fix protection and corresponding obligations regarding use of the laptop and/or accessories by the student.

THEFT, LOSS OR FIRE

The OEM Warranty or the BREAK/FIX PROTECTION referenced above does not cover Dubuque Community School District laptops and/or accessories that are stolen, lost or damaged by fire. The student/parent will be responsible for incurring any replacement costs (not to exceed \$600.00) of the district-issued, student assigned laptop and/or accessories should it be stolen, lost or damaged. Students/parents may wish to carry their own personal insurance to protect the laptop and/or accessories in cases of theft, loss, or accidental damage. Please consult with your insurance agent for details about your personal coverage of the laptop and/or accessories.

INTENTIONAL DAMAGE

Students/Parents are responsible for full payment of intentional damages to district-issued, student assigned laptops. STUDENT PERMIT TO DRIVE TO SCHOOL

An Affidavit for a student to receive a license to drive to school may be obtained at the local Driver's License Bureau website at www.iowadot.gov/mvd/driverslicense/under-18.

Upon completing the affidavit from the Driver's License Bureau website, the student submits the affidavit to the school principal's office (who is the superintendent's designee) for approval. When signed by the Principal, it is to be returned to the Driver's License Bureau for processing.

In the case of both Hempstead High School and Dubuque Senior High School, there is a parking application process and fee to be paid to park in a school lot. Please inquire at your high school for how to proceed with obtaining this permit.

IOWA CHILD LABOR PERMIT

At age 14, students may begin to seek employment in Iowa. The Dubuque Community School District does not issue or manage work permits. The Iowa Division of Labor provides resources for students, including the necessary forms and instructions for obtaining a child labor permit. You can access the resources at www.iowadivisionoflabor.gov/child-labor.

FEE WAIVER BENEFITS

Students are eligible to have certain fees waived for those families that meet the federal income guidelines, are considered homeless, are in foster care, or participate in the following programs: Supplemental Nutrition Assistance Program (SNAP), Family Investment Program (FIP), or Temporary Assistance for Needy Families (TANF). Fee waiver eligibility is based on the federal household income chart (or other eligibility factors). Decision to grant a waiver of fees will be in compliance with the Code of Iowa Chapter 281 and the Iowa Administrative Rules, Chapter 18, School Fees.

Student fees subject to waiver are district textbook, cap and gown, instrument rental, CNA background check, and driver education (one time only).

The Fee Waiver Benefits form is included as part of the Free and Reduced-Price Meals Application or the Community Eligibility Provision (CEP) Form.

If you apply for a fee waiver, do not pay fees until eligibility is determined. Please note that some fees are not subject to a fee waiver and are the responsibility of the parent/guardian. Once eligibility is determined, you will receive a statement listing any fees that you are responsible for.

MEAL PROGRAMS

The **Community Eligibility Provision (CEP)** is a federal provision that allows the district to offer breakfast and lunch at no charge to ALL students in participating schools, based on the school's overall population of low-income families. The following schools in the district are currently participating in the Community Eligibility Provision: Audubon, Fulton, Hoover, Lincoln, Marshall, and Prescott Elementary Schools; and Thomas Jefferson and Washington Middle Schools, as well as the Alta Vista Campus.

At all non-CEP schools, students can still be considered for free and reduced-price meals by completing the **Free and Reduced-Price Meals** Application.

The Free and Reduced-Price Meals Application and the Community Eligibility Provision (CEP) Form can be completed online at www.dbqschools.org/mealprograms. Printed copies of the Free and Reduced-Price Meals Application, and the Fee Waiver Benefits form, are also available at any school.

NOTE: To apply for a fee waiver, families must complete one of these forms to determine eligibility.

Fee Waiver Benefits Form

The form is included as part of the Free and Reduced-Price Meals Application or the Community Eligibility Provision (CEP) Form, which are available at www.dbqschools.org/mealprograms.

HIGH SCHOOL YEARBOOK GUIDELINES

Underclassman Portraits

All students who have their pictures taken during registration or on one of the picture re-take days will be included in the portrait section of the yearbook. Although an effort will be made to include students who transfer to the school after all professional pictures have been taken, we do not guarantee that those students will be included in the portrait section of the yearbook.

Senior Portraits

All photos and artwork must conform to school policies and standards and are subject to approval by but not limited to the yearbook staff, yearbook adviser, and the school administration. The yearbook staff reserves the right to crop and/or resize any photos submitted without permission, notification or approval. Photos which represent any of the following may also be edited or excluded.

- Violating school policies
- Display of firearms, weapons, drugs, tobacco, alcohol or gambling. Writing, logos, art, or symbols that refer to, promote, or in any way advertise firearms, weapons, drugs, tobacco, alcohol, or gambling are not acceptable for publication
- Inappropriate gestures or postures
- All hand gestures
- Revealing or obscene clothing, or any form of dress that is not considered appropriate
- Photos which include more than one person

Students will be responsible for providing digital jpeg files of their senior portraits by the appointed deadline in the fall of their graduating year. Students who fail to submit pictures before the deadline run the risk of having their school ID pictures used or of being excluded from the portrait section of the yearbook.

After the deadline, students will have a one-week grace period to submit a photo without penalty. Thereafter, a late charge will be assessed to any senior who submits a portrait for publication in the yearbook. This charge must be paid before the portrait will be accepted for publication. Any portrait that has not been submitted by February 1 will not be included in the yearbook.

Students who have been previously published in the senior portrait section will not be included in subsequent publications of the yearbook.

Yearbook Distribution

Students who purchased yearbooks may pick them up during registration for the upcoming school year. After registration, yearbooks may be picked up in the school office. Yearbooks will be available for pick up for two years. After two years, we do not guarantee that yearbooks will be available. Those who have not picked up their yearbooks within the two-year time frame will not receive a refund.
