Scrip orders due  
9:45 Late Start  
Professional Learning Session  
10:15 Albrecht Acres Clean Up

Teachers will be working on the data driven dialogue with student work

## From the Desk of Miss Mac

Greetings Sageville families & friends,

You can't imagine the planning and preparation that is underway for Spring Fling! You will want to save May 8th, 5:30 p.m., on your calendar! Our back parking lot and field area is transformed into a wonder world of family, fun, & food! The Silent Auction will be bigger and better than ever. Here's a sampling of businesses that have offered gift cards and products: American Lady Boats, Yo So Sweet, Falbo's Pizza, Betty Jane's, Hawkeye Boats, Jimmy John's, Breitbach's Country Dining, Big A, Loras Sports Camp (\$200!), Hobby Lobby, Happy Joe's, and John Deere!

Silent Auction Baskets from school:

Preschool: Disney  
Kindergarten: Garden  
Gr. 1 Restaurant cards  
Gr. 2 Family Night Out  
Gr. 3 Summer Sports  
Gr. 4 Summer Survival  
Gr. 5 Baby & Girly Girl  
Office: Ice Cream Extravaganza

Families from each grade level can donate items for the baskets!

We are looking forward to our 8th year at Albrecht Acres on Friday, April 24th. Buses will take grades 3-5 at 10:15 to rake and clean up the yard. Students in Preschool-Grade 2 will be working around our hosta, butterfly and pavilion garden areas. Parents, you are welcome to help us out. Please remember to apply sunscreen to your child before they come to school.

Looking for a great family event this weekend? It's the 3rd annual Dubuque STEM festival at Clarke University at the Kehl Center on Saturday, April 18th, 10:00-2:00 p.m. Lots of activities that involve science, technology, engineering and math will be high-lighted. It's FREE!

Due to the two snow days this year, the last day of school for students is Thursday, May 28th. It is scheduled for a full day.

Save the date:  
**Tuesday, May 12th**  
Kindergarten Music  
Program  
6:30 PM

Spring Fling Assistance Needed!

**If you can help in any of the following ways, please email [sagevilleptc@gmail.com](mailto:sagevilleptc@gmail.com) if you can help with any of items below!**

**TOYS/PRIZES**

PRIZES-Any unused/new prizes to donate to the duck pond or throughout the night to give out to kids. (You must know what I'm talking about.....Those "treasures" from the fast food joints or little noise makers, bouncy balls, etc. that were left over from a birthday party or any other "party"). \*Of course only "child" appropriate items please!

**BAKED GOODS/Supplies**

ZIPLOCK BAGGIES (All sizes, but especially sandwich size.)

LABELS/STICKERS (Large enough to write on for prices to use on the goodies.)

**RUNNERS TO PICKUP**

We will need volunteers to pickup some donations as it gets closer. Sometimes it's the last minute running that does us in!

**May 8th-WORKERS and ATTENDEES**

If at all possible, signup for a time slot to help at the various areas that evening.

\*\*Most importantly, ENJOY the evening with students, families, coworkers, and FRIENDS!

There's another scrip order coming up next Friday! Buy scrip for the special mom in your life from her favorite store. Take care of all of your spring needs from many of the vendors! Let's make it our biggest order for the year!

## Counselor Corner-Mrs. Kaiser

During the week of April 13th-17th I have been in grades 3-5. In third grade, students identified which academic skills are necessary for work and placed them in the appropriate career path (business, creative, nature, fixing, building and technology, helping or health). In fourth grade, the students visited the website [www.vaview.org/k5](http://www.vaview.org/k5) and took an interest inventory which generated a list of jobs. Each student then picked one job from the list and researched what duties are involved, edu-

cation needed, and class subjects related to this field of work. In fifth grade, the students visited the website [www.acinet.org](http://www.acinet.org) and took an interest inventory as well. From their results they picked a career to research; which included duties, education needed, salary, what colleges offer the degree, which states are in need of this career, personality traits, and subjects to excel in. Next week I will be working with small groups.

Tips for Parents: Have a conversation with your child about your career including duties, education and responsibilities involved.

### Want to re-order Spring Pictures for Mother's Day? Need more pictures?

Siebe Studio now offers you the ability to view your Spring Pictures online. If you missed placing an order or would like to re-order pictures you can view your pictures on each of the backgrounds and place an order. Prices are the same as on the re-order form you received with your order. There are also some additional items available. You will need a "Online Code" to view the pictures. The code is the first 3 letters of the student's last name and the last 3 numbers of their student ID number. If you are not familiar with their student ID number it can be found on your student's Power School page.

To view the pictures go to [www.siebestudio.com](http://www.siebestudio.com) or <https://vando.imagequix.com/69xf59j>
