MUSIC

You should be receiving information from your child's home-room teachers in regards to guidelines for Valentine's Day! Please be aware that we are enforcing the district wellness policy about any food products. What about a pencil or book for the classroom if you are interested in providing something to students or the classroom?

Sageville School will be writing a grant for Interactive Projectors for the classrooms!

This is National School Counseling Week. I'd like to take this opportunity to thank our school counselor, Mrs. Kaiser, for being actively committed to Sageville students, families and staff.

There will be many upcoming field trip opportunities for our students. If you are interested in volunteering to assist in these trips or drive, please be aware that the district background volunteer packet needs to be completed. This process takes several weeks to complete, so please do not delay in doing so. Packets are available in the school office or at the district office. Thank you!

Happy
Valentine's
Day

MRS. MURRAY ENJOYS READING TO THE PRESCHOOLERS!

Counselor Corner-Mrs. Kaiser

During the week of February 2nd – 5th I have been in preschool thru second grade. This month we are focusing on protective behaviors. In preschool and kindergarten, we watched a short video on poison control and discussed what to do if they are unsure if they should eat or drink something that is unfamiliar. In first and second grade, we watched a video called The Safe Side, Stranger Safety. The students were then assigned to have a discussion at home with their parents on, who are their safe adults? And

what to do if another adult would approach them? Next week I will be in grades 3 thru 5 and will continue to focus on protective behaviors. Don't forget: Join us at the end of the month for our celebration assembly, February 25th, 9:50 a.m.! Your child may be nominated by their teacher for good character.

Tips for Parents: Take some time to practice your address and phone number with your children in case of an emergency. Also, discuss 3 safe adults that your child can always trust and what to do if they are approached by a stranger.
