presents their Green Dot show

1:00 Gr. 3 Trolley Tour

Teachers will be working on the data driven dialogue with student work. Teachers will be learning more about OneNote and Office 365.

From the Desk of Miss Mac

Greetings Sageville families & friends,

Spring Fling is tomorrow evening!

We will all enjoy the camaraderie, fun, food and activities planned. In all of my years as a principal, I have never seen and participated in such an event. Hope to see you tomorrow evening. In case of rain, you will receive a phone call and it will be re-scheduled for Friday, May 15th.

For Tuesday's music program,

Kindergarten students should arrive at 6:00 p.m. and report to their classrooms for the music program. Family and friends are welcome to attend. They should wear their spring best.

All K-5 students will take their **DIBELS assessment next week** with district testers. Any K-2 student that is significantly discrepant from the norms have an opportunity to attend a summer reading program. You will be contacted by Miss Mac after we receive the results if your child qualifies and how to sign up.

MAP scores and DIBELS results will go home with progress reports on the last day of school, Thursday, May 28th.

Looking ahead to next school year:

You will receive a copy of the 15-16 school calendar and supply list with your child's progress report at the end of the year. Please mark, **Monday, August 10th**, for our **e-registration day**. All parents may do this process on their home computer or you may stop at school on this date 10:00-12:30 p.m. or 2:00-6:00 p.m. You will also go on our **school website** to get to the **conference link** to set up your **first day conference on August 31st** with your child's teacher.

Jess Olechowski, our **Box Top coordinator**, has several Box Tops that expire 6/1. **We will be mailing in another box to redeem.** Please check your Box Tops because they need to be submitted **before the expiration date** on them or they don't count. Jess had set a goal for this school year of \$2000.00 and we raised \$2151.74 already! Thanks! Her ambitious goals have benefitted our school!

BEST OF LUCK TO OUR GR. 5 BATTLE OF THE BOOKS TEAM!

Our fifth graders Tyler, Haley, Kaitlyn, Claire and Ben have been working hard preparing for the Battle of the Books for the district title which will be held next Friday at Eisenhower School. Thanks to all of our fifth graders who participated and to Laurie Brimeyer, Julie Murray and Jeff Dyer for working with the students for the several past months. Bring home the trophy!

Counselor Corner-Mrs. Kaiser

During the week of May 4th – 8th I have been in preschool thru second grade. With the end of the year right around the corner, our focus is on transitioning into the next grade level. Preschool went on a tour of the school; their first stop was to view where they would be dropped off in the morning and where kindergarten line up to come into Sageville. Next, we visited the lunch room, specialist and finally the kindergarten classrooms. Kindergarten thru second grade had student speakers come in and talk about the next grade they will be entering. The students covered the areas of Lead 21, math, science, social studies,

expectations, what's new in the next grade level, if snacks are allowed and field trips. Students had time at the end to answer any questions from the grade level presenters. Thank you to Nathan Erner, Annalise Hefel, Evelyn White, Brody Schmitt, Lindsey Freiburger, Soya Wehrenberg and Ellie Hermiston for representing their grade level! Next week I will be in grade third thru fifth.

Don't forget: Attend our end of the year assembly on May 28th @ 2:45!

Tips for Parents: Now that spring is here it is a good time to review neighborhood safety tips!

State Association Honors Local Official

At the Iowa High School Athletic Association's 21st Annual Officials' Banquet and Recognition Ceremony this past Saturday in Des Moines, Mr. William Mach, Grade 5 teacher, is the Aspiring New Official of the Year in the Northeast District. Congratulations, Mr. Mach!
