## From the Desk of Miss Mac

Greetings Sageville families & friends,

Tuesday evening's Sageville Showcase was a fantastic night filled with community! The students and staff were eager to highlight their work and have a welcoming event with our families. Mission accomplished. Thanks to Craig Bahl and Keith Paige, our custodians, for their assistance with set-up and PTC for the hospitality. Special thanks to Lindsey Schreiber who popped popcorn all afternoon.

Beginning this Wednesday on October 1, please note that the front entrance to the gym for Y-Care will remain locked. Currently it has been open from 6:30-7:30. Y-Care will be providing a phone number to

call the Y-Care staff to open the door. Our office will assist with the door beginning at 7:30 a.m. This also applies in the afternoon. The office will answer the bell until 4:00 p.m. After 4:00 p.m. parents will need to call the Y-Care phone number. This is joint effort of the school district and Y-Care program collaborating to keep our students safe and our buildings secure. Thank you in advance for your collaboration.

## Sageville PTC News

1) Discount cards are off to a great start! We have heard from a lot of you but need to hear from more to meet our goals. If you have any questions or need more cards, please let PTC know and we will be happy to help. Remember these cards are a great fundraiser for Sageville because **we get \$9.50 for every card sold.** This is a great profit, which allows us to reach our goals quicker for playground equipment, sound system, and chairs for the gym.

PTC is having their annual contest with Discount Cards.

**Prizes are as followed for the top selling families:**

**1st Place - \$75.00 Choice of Scrip**

**2nd Place - \$50.00 Choice of Scrip**

**3rd Place - \$25.00 Choice of Scrip**

Discount cards will be available all year long but our contest ends October 27th. Happy Selling!

2) We will be having **Cookie Dough** sales again this year. Yum Yum and just in time for the holiday season. More information will come next week.

3) Mark your calendar – **Sageville Steak Feed** will be on **November 9th** at The Barn in Sherrill. More information will come soon as well.

## Counselor Corner-Mrs. Kaiser

During the week of September 22<sup>nd</sup> – 25<sup>th</sup> I have been working in small groups with first, second and fifth grade. In first grade, we are working on *What's Cool About School?* As a group we wrote a letter to the person that gets us to school on time and picked our top 3 activities we like to do at school. In second grade, we are working on assertive and friendship skills; we will be making a collage that explains who we are. In fifth grade, we watched a video on self-esteem and self-confidence and discussed our own self perceptions. Next week I will continue with small groups.

**Don't forget:** Your child may be nominated by their teacher for good character. They will be acknowledged at our celebration assemblies and in our newsletter on Tuesday September 30<sup>th</sup> @ 2:35.

**Tips for Parents:** We have made goals for our new school year, ask your child what their goals are this school year.

## Parent-Teacher-Student Conferences

Conferences will be held on Wednesday, October 22 and Thursday, October 23.

You can reserve your own time on-line like you did in August. You will find the link on the Sageville web site. The window opens next Friday, October 3, 6:00 a.m. It will close on October 17, 6:00 p.m.

It is on a first-come, first-serve basis. If you have two or more children, you will want to get in as soon as possible so your conference times are back to back.

You'll get your information for your username and password next Thursday. \*If you do not have computer access, you can stop at school or call the office. Thank you!

We acknowledge your child's birthday on their special day. Parents are not obligated to send anything to school. However, if you chose to do so, we encourage items to share other than food. Several students have severe allergies. You can donate a book in your child's name to the classroom library, pass out pencils, etc. Any food shared with students need to meet the district wellness policy. You can find that on the district website or call our health office. Thank you in advance for your cooperation!
