Sageville Elementary Newsletter

February 28, 2019

From the desk of Miss Mac:

Don't forget that Monday, March 4th, begins our new extended day! Dismissal at the end of the day is 3:55 PM for PreK-Grade 5.

For preschool families, we will be adding 15 minutes to both the AM and PM programs. I want to ensure families that we will be making the most of this additional instructional time with our students. This time will be used to reading, math, social studies and science that has been lost due to weather-related late starts, early dismissals and cancellations.

Below is an overview of our revised schedule beginning **Monday, March 4th**.

AM Preschool: 8:50-11:35 PM (drop off as normal with your other K-5 children).

PM Preschool: 1:05-3:55 PM

K-5: Dismissal time 3:55 PM

Note: If we would have 2-hour early dismissal on or after Monday, March 4th we will dismiss at 1:55 PM.

Note: If you have a PM bus rider, please know that they will be arriving home 25 minutes later due to the revised dismissal time.

On behalf of the entire Sageville Staff I want to thank all of you for your patience and flexibility as we work through this challenging winter weather. Please feel free to contact the school office (552-4300) with any questions regarding our revised dismissal time.

Our Siebe Spring Picture day is next Tuesday. If we have a late arrival, pictures will still be taken.

Calendar of Events

Monday-March 4

Gr. 4 Two by Two

Skate Country
Skate Night
Tuesday,
March 12th,
6:00-8:00 PM

It's National Breakfast Week!

During the week of March 4th through March 8th we will be celebrating National School Breakfast Week (NSBW)! The theme this year is, "School Breakfast, Start Your Engines!". Help us celebrate by going to your school cafeteria to have a healthy breakfast and start your day off on the right "track"! Each day you join us for breakfast you can enter your name in a drawing to win a fun prize! Check out the breakfast menu to see what we will be serving. Sageville School serves a hot breakfast everyday at 8:30 AM.

This is also a great time to acknowledge Betty Smith, who gets the breakfast ready for the kids each day very early and Jenny Long, who manages our breakfast and lunch programs.

In the News

U.S. DEPARTMENT OF EDUCATION
GreenRibbonSchools 28 States Submitted
Nominations For U.S.
Department of Education
Green Ribbon Schools

I'm happy to report that with the help of our Americorp worker, Eve Dietrich, that our school is one of the schools that submitted a Green Ribbon School Nomination. We will find out on Earth Day, April 22nd, if we will be honored.

Sageville School has many things in place to be considered a "green" school. Our Green Club meets weekly with Eve to learn more about our earth and what we can do at school to be better earth-friendly students. I hope it is rubbing off at home, too.
