## Counselor Corner...Mrs. Boeve

Thank you for the warm welcome back after being home with the newest addition to my family, Margot Kathleen Boeve, in January! It was a wonderful time with her but I'm excited to have returned to Sageville! The next few months will be busy with guidance lessons on transitions, changes, statewide testing and more. I look forward to leading more small counseling groups and seeing students one-on-one. Remember if you have any concerns for your child, I am here to help and work with you to make this a year of successes and progress!
