

Dear Family Members,

As we enter Year 2 of Seesaw, it will continue to be an important form of communication in our classrooms. We welcome you to share in your student's learning for this school year.

Seesaw classes are private and safe, meaning only family members invited and signed up can view your child's portfolio. You can connect up to 10 family members to your child's account. Once signed up for your child's portfolio, you will have access to daily/weekly posts about their learning through pictures, videos, and reminders about upcoming events.

- Student and family privacy is very important.
- We encourage positive comments and feedback on your child's entries.
- We encourage you to interact with your child's teacher(s) with the private messaging feature built in to Seesaw.

Thank you in advance for your partnership and the important role you play in your child's education!

FAMILY

Tips on managing your Seesaw account

Tap on your **name** in the top left corner, tap on the **gear**, tap on **account settings**.

Choose your preferences using the drop-down box.
