Health News

Substance Use/Misuse

This month's health topic focuses on safe use of medications and health risks of alcohol, tobacco and other legal/illegal substances. Children also learn and practice refusal skills.

Preschool Registration:

We are currently registering students who will be in preschool next year. Space fills quickly so register early!

Please take a moment to check out our Audubon website at audubon.dbqschools.org. Our students can access school sites on computers when they are away from Audubon. Parents can find useful information along with pictures and current events.

We want to extend our appreciation to the **Mississippi River Museum** for engaging our students during their fieldtrips. Our curiosity was peaked. **THANK YOU!**

CONGRATULATIONS TO THE HAWK OF THE MONTH FOR JANUARY!!
